MANUFACTURING
A BETTER WORLD

European Quality

Eurener is an industrial group established in 1997 in the European Center for Innovative Enterprises (CEEI). Throughout these 25 years of experience, we have developed a production process and know-how that has resulted in a certified product with high quality and multiple applications, establishing a relationship of total trust with our customers thanks to our personalized service.

Certificates

Eurener photovoltaic modules have passed all the main European tests in terms of durability and performance. For this reason, we have the most prestigious certificates at a global level and in different European countries.

MEPV DOUBLE GLASS 380W

Warranties

Eurener modules, are designed to last, thus making the initial investment profitable and providing energy for decades. That is why we offer warranties above the market average.

30 YEARS PERFORMANCE WARRANTY
Linear Warranty

30 YEARS PRODUCT WARRANTY

Advantages

MULTI BUSBARS (MBB)

- Thinner and rounded to increase the light absorption.

GLASS

- Increased mechanical resistance. Frontal load (snow) 5.400 Pa. Back load (wind) 2.400 Pa.
- Increased resistance to rust and abrasion for increased durability.

DIFFERENT FINISHING

- Framed or frameless for a customised integration.

PRODUCT VERSATILITY

- Module with translucent aesthetics.
- Multiple project typologies.

30 YEARS WARRANTY

- Our Double Glass modules suffer less degradation due to the elimination of the backsheet.
- 30 years of product and performance warranty.
